This flyer is provided for the benefit of early season bird hunters including dove, pigeon, quail, chukar, sage grouse, forest grouse, ptarmigan, snipe, and north coast Canada goose. The Fish and Game Commission adopts hunting regulations for resident game birds, doves and band-tailed pigeons at its early August meeting. Because of the time required in the printing process, it is extremely difficult to distribute the bird hunting booklets to the public in time for the early season game bird hunts; therefore, the Commission has published this flyer, which can be printed and distributed more quickly.

HUNTERS ARE REMINDED THAT THEY MUST COMPLY WITH OTHER STATE AND FEDERAL REGULATIONS, INCLUDING UPLAND GAME BIRD STAMP, HARVEST INFORMATION PROGRAM IDENTIFICATION (HIP), METHODS OF TAKE AND SHOOTING HOURS. PLEASE REFER TO LAST YEAR'S CALIFORNIA HUNTING REGULATIONS FOR RESIDENT GAME BIRDS BOOKLET UNTIL THE NEW BOOKLETS ARE DISTRIBUTED IN MID-SEPTEMBER.
